

## ASSIGNMENT – I

<b>Project Name</b>	Plasma Donor application
<b>Team ID</b>	PNT2022TMID33788
<b>Student name</b>	Roshan B
<b>Student Register Number</b>	950819104708

### Instruction:

Create html file

1) 4 Input boxes

-Name

-Qualification

-Age

-Email

-Submit Button

(above information should be displayed by web browser)

### Output:

The screenshot shows a web browser window with a red gradient background. In the center, there is a dark-themed form titled "Plasma Donor application". The form contains four input fields with white underlines, labeled "Name", "Qualification", "age", and "Email". Below these fields is a yellow "Submit" button.
